

GET YOUR DIRECTORS ON BOARD WITH GAMING

With 65% of NSW Club revenue coming from the Gaming floor, how much is your Board connected to the financial engine of your Club? Russell Corporate Advisory has developed a 2.5-hour interactive session to improve the knowledge of your Board on the wider market and the importance of Gaming.

With a focus on regional market specific data, wider market data, benchmarks and experienced insights, 'Gaming Gold - Director's Cut' is an opportunity to get your Board up to date on the greater market.

- NSW market overview – Pubs and Clubs
- Regional revenue trends – the key numbers
- Demographic trends – key contributors
- The contribution and importance of Gaming
